Overall Length:						
2.260 inches						
Overall Height:						
0.290 inches						
Overall Width:						
1.950 inches						
Special Features:						
Mtg method: rack;	maj comp:	printed wiring board,	frame assembly,	integrated circuits,	resistors,	network
Shelf Life:						
N/a						
Unit Of Measure:						
Demilitarization:						
Yes - demil/mli						
Fiia:
