Overall Length:

7.063 inches

Overall Height:

0.906 inches

Overall Width:

5.343 inches

Mounting Configuration:

Plug-in mtd

Special Features:

Mtg method: connector; maj comp: printed wiring board, heat sink, connector, insulator, resistor, capacitor, transistor, diode

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A5110
