Overall Length:

4.562 inches

Overall Height:

0.281 inches

Overall Width:

1.125 inches

Component Type And Quantity:

1 switch and 1 capacitor

Special Features:

Mounting method: end mounted; mounting configuration: 1/8 in. Deep by 5/8 in. W stepped ends; fsc application: airborne communcation set

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511I0
