Average Life Measurement:

Not rated

End Application:

Pilot night vision sensor

Inclosure Type:

Encased

Installation Design:

Module and rack

Circuit Construction Type:

Solid state

Specification Data:

04939-13080427 manufacturers specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A32200
