Overall Length:

3.000 inches

Overall Height:

1.250 inches

Overall Width:

2.000 inches

End Application:

Waterjet mdl tj-381h

Basic Shape Style:

Rectangular or square

Installation Design:

Mechanical

Circuit Construction Type:

Any acceptable

Product Name:

Power shifter signal amplifier

Special Features:

12 to 24v

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A32200
