**Product Name:**

High ip3 low noise amplifier

**Special Features:**

Internal voltage regulated for 6.5 to 17 vdc input voltage range; op temp: -40 degrees to 80 degrees c case, -40 degrees to 60 degrees c ambient; + rohs compliant in accordance with eu directive (2002/95/ec); 950 to 2150 mhz

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A32200
