Overall Length:

4.250 inches

Overall Height:

0.063 inches

Overall Width:

0.620 inches

Unthreaded Mounting Hole Diameter:

0.295 inches single mounting facility and 0.203 inches single mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Material:

Plastic polyamide

Material Specification:

L-p-410 n 6/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
