Overall Length:

7.765 inches

Overall Height:

0.359 inches

Overall Width:

1.765 inches

End Application:

Communications-electronics secure466l electromagnetic intelligence system

Features Provided:

Electrostatic sensitive

Criticality Code Justification:

Cbbl

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
