Overall Length:

4.750 inches

Overall Height:

0.463 inches

Overall Width:

4.250 inches

End Application:

General purpose automatic data processing equipment, software supplies and support equipment

Features Provided:

Electrostatic sensitive

Criticality Code Justification:

Cbbl

Special Features:

Esd

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
