Overall Length:

4.781 inches

Overall Height:

0.312 inches

Overall Width:

1.765 inches

End Application:

Type no. An/arc-116

Product Name:

Fsc application data: radio set, airborne

Special Features:

Capacitor 28; coil 2; contacts 24 crystal 1; network 12; printed wiring board 1; resistor 64; semiconductor 1; terminal 17; transistor 20

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
