Overall Length:

7.620 inches

Overall Height:

0.526 inches

Overall Width:

5.260 inches

End Application:

Communications central

Special Features:

Capacitor 7, connector 1, gate 12, printed circuit board 1; mounting configuration: plug-in and rack mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
