**Overall Height:**

0.487 inches

**Product Name:**

Fsc application data: controller logic, guided missile remote control system

**Special Features:**

Amplifier 1, capacitor 18, heat sink 1, printed wiring board1, resistor 41, semiconductor device, diode 10, transistor 8

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
