Circuit Card Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5998-00-148-7388

Overall Length:
7.825 inches
Overall Height:
0.470 inches
Overall Width:
3.390 inches
Product Name:
Fsc application data: test station, control, guided missile remote controlsystem
Special Features:
Printed wiring board 1, semiconductor device, diode 24
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
Filg:
A511k0
