End Application:

F-111d/f acft

Special Features:

T.O. 5n24-7-4, fig-1, ind-8; circuit construction stype: solid state; inclosure type: open; installation design: module; basic shape style:

one rectangular or square; nha stable platform p/n mx8131ajn16

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
