Overall Length:

15.156 inches

Overall Height:

0.750 inches

Overall Width:

10.114 inches

Product Name:

Fsc application data: transmitting set, electronic guidance signals

Special Features:

Printed wiring board 1, post electrical 7plate instruction 4, contact 8

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
