Overall Length:

3.688 inches

Overall Height:

0.625 inches

Overall Width:

2.562 inches

Product Name:

Fsc application data: test set, electronic systems except sepcially designed

Special Features:

Coil 18, contact 31, diode 26, relay 21, resistor 2, printed wiring board 2, transistor 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
