Overall Height:

0.602 inches

Product Name:

Fsc application data: signal junction box, electronic countermeasures

Special Features:

Capacitor 13, connector 1, diode 13, printed wiring board1, relay 5, resistor 35, transistor 9

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
