Overall Length:

5.500 inches

Overall Height:

0.578 inches

Overall Width:

4.250 inches

Product Name:

Fsc application data: countermeasures set

Special Features:

Integrated circuit 10, capacitor, fixed 28, diode 13, relay 2transistor 3, resistor, fixed 27, resistor, variable 1printed circuit board 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:
