Overall Length:

6.187 inches

Overall Height:

0.320 inches

Overall Width:

3.150 inches

End Application:

5895-00-197-9925 and 5895-00-197-9927 central, communication

Special Features:

Usage design: printed circuit board master backplane; fsc application data: 5820-00-971-7692 control transmitter and 5820-00-481-4767 control receiver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
