Overall Length:

10.500 inches

Overall Height:

1.250 inches

Overall Width:

2.281 inches

Product Name:

Fsc application data: test set electronic circuit plug in unit, except specially designed

Special Features:

Relay, solenoid 1, resistor 14, terminal board 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
