Overall Length:

5.688 inches

Overall Height:

0.375 inches

Overall Width:

4.063 inches

Product Name:

Fsc application data: radio and television communication equipment, airborne

Special Features:

Printed wiring board 1; light emitting diode 4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
