Overall Height:

0.680 inches

Product Name:

Fsc application data: detecting set, magnetic

Special Features:

Capacitor 11, connector 1, insulator disc 4, printed wiring board 1, resistor 20, semiconductor 1, semiconductor device diode 1, transistor 4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
