Overall Length:

3.250 inches

Overall Height:

3.000 inches

Overall Width:

3.125 inches

Product Name:

Fsc application data: transmitting set, electronic guidance signals

Special Features:

Printed wiring board 1, connector electrical 1, switch rotary 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
