Overall Length:

5.765 inches

Overall Height:

0.750 inches

Overall Width:

5.000 inches

End Application:

Ground wire equip wire projects

Special Features:

Major components: capacitor 9; clip 1; diodes 8; integrated circuits 2; pot 3; printed wiring board 1; resistor 27; transistors 3; mtg configuration: plug in mtd; wwtcip telephone

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511k0
