Overall Length:

2.480 inches

Overall Height:

0.560 inches

Overall Width:

2.180 inches

Product Name:

Fsc application data: automatic data processing systems, industrial, scientific, and office types

Special Features:

Connector 1, contact pin 2, heat sink 2, printedwiring board 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
