Overall Length:

5.130 inches

Overall Height:

0.600 inches

Overall Width:

4.470 inches

Product Name:

Fsc application data: power supply, infrared detecting group, night vision

Special Features:

Capacitor 7, connector 1, diode 43, integratedcircuit 7, printed wiring board 1, relay 3, resistor 103, transistor 33

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
