Overall Length:

2.600 inches

Overall Height:

0.610 inches

Overall Width:

1.650 inches

Product Name:

Fsc application data: receiver, viewer, infrared detecting group, night vision

Special Features:

Capacitor 1, connector 1, printed wiring board1, resistor 7, semiconductor device, diode 7, transistor 3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
