#### **Overall Length:**

4.810 inches

## **Overall Height:**

0.369 inches

# **Overall Width:**

2.824 inches

#### End Application:

5805-00-186-0681

#### **Product Name:**

Fsc application data: central office, telephone, dial

#### **Special Features:**

Capacitor 1, connector 1, integrated circuit 10, resistor 12printed wiring board 1

#### Shelf Life:

N/a

#### Unit Of Measure:

---

### Demilitarization:

No

## Fiig:

A511k0
