Overall Height:

0.320 inches

Product Name:

Fsc application data: control logic assembly, electrical system, acft

Special Features:

Capacitor 7, connector 1, microcircuit 17, printedwiring board 1, resistor 12, semiconductor device, diode 4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
