**Product Name:**

Fsc application data: multimeter, digital assembly, test central, weapon system, specially designed acft

**Special Features:**

Printed wiring board 1, amplifier 2, capacitor 7, diode 4, relay 2, transistor 7, resistor 15, resistor 1, integrated circuit1, connector 1, insulator 5

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A511k0
