Overall Length:

8.000 inches

Overall Height:

1.453 inches

Overall Width:

6.000 inches

Product Name:

Fsc application data: test set electronic circuit plug in unit, except specially designed

Special Features:

Filter, band pass 2, resistor 34, semiconductor 1, terminal board 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
