**Overall Length:**

1.800 inches

**Overall Height:**

0.550 inches

**Overall Width:**

1.710 inches

**End Application:**

Automatic test equipment

**Special Features:**

Connector 4, pwb 1, relay 3; connector mtd; nha test station fault isolation specially designed acft

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
