Overall Length:

2.500 inches

Overall Height:

0.190 inches

Overall Width:

0.500 inches

Unthreaded Mounting Hole Diameter:

0.106 inches single mounting facility and 0.110 inches single mounting facility

Mounting Facility Type And Quantity:

3 unthreaded hole single mounting facility

Material:

Steel

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416, type 2, class 2 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
