**Body Style:**

Double flair entry

**Overall Length:**

4.000 inches

**Overall Height:**

0.750 inches

**Overall Width:**

0.500 inches

**Unthreaded Mounting Hole Diameter:**

0.257 inches all mounting facilities

**End Application:**

Test set, radar an/tpm 22a

**Mounting Facility Type And Quantity:**

2 unthreaded hole all mounting facilities

**Material:**

Aluminum alloy 5052

**Material Specification:**

Qq-a-250/a federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03600
