## NSN 5998-00-435-2536

Electrical Card Holder - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5998-00-435-2536

Body Style:
Double flair entry
Overall Length:
4.000 inches
Overall Height:
0.750 inches
Overall Width:
0.500 inches
Unthreaded Mounting Hole Diameter:
0.257 inches all mounting facilities
End Application:
Test set, radar an/tpm 22a
Mounting Facility Type And Quantity:
2 unthreaded hole all mounting facilities
Material:
Aluminum alloy 5052
Material Specification:
Qq-a-250/a federal specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A03600
