**Product Name:**

Fsc application data: test central, sonobuoy

**Special Features:**

Microcircuit digital 65, integrated circuit 43, terminal board 1, network resistor fixed film 3, oscillator radio frequency 2, converter 1, terminal board assembly 13, chassis electrical equipment 1

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
