Product Name:

Fsc application data: test central, sonobuoy

Special Features:

Microcircuit digital 65, integrated circuit 43, terminal board 1, network resistor fixed film 3, oscillator radio frequency 2, converter 1, terminal board assembly 13, chassis electrical equipment 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
