Overall Length:

3.560 inches

Overall Height:

0.625 inches

Overall Width:

1.410 inches

End Application:

Type no. An/arc-114

Product Name:

Fsc application data: radio communication set, airborne

Special Features:

Capacitor, fixed 14; capacitor, variable 3; coil 3; diode 11; printed wiring board 1; relay 1; resistor 22; shield, radio frequency 1; transformer 3; transistor 5

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
