Overall Length:

2.760 inches

Overall Height:

0.312 inches

Overall Width:

2.900 inches

End Application:

Type no. An/arc-115

Product Name:

Fsc application data: radio sets, except navigation and home types, airborne

Special Features:

Capacitor 11; coil 6; diode 3; printed wiring board 1; resistor, fixed 33; resistor, variable 2; transistor 8

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
