Overall Length:

2.105 inches

Overall Height:

0.375 inches

Overall Width:

1.000 inches

End Application:

Type no. An/arc-115

Product Name:

Fsc application data: radio sets, except navigation and home types, airborne

Special Features:

Capacitor, fixed 6; capacitor, variable 1; diode 1; coil 2; printed wiring board 1; resistor 5; terminal 4; transformer 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
