End Application:

Non/automatic avionics test equipment

Special Features:

5board component 1, bracket 2, cap 6, casting 1, component board assembly 1, diode 2, heatsink transistor 1, insert 8, radiator heat res 1, resistor 6, terminal 9, terminal feedthrough 1, terminal stud 9, transistor 6; nha test set, gyro bias, p/n 229273, f111 acft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511k0
