Overall Length:

4.860 inches

Overall Height:

0.625 inches

Overall Width:

2.860 inches

End Application:

Test set, specialized maintenance equipment, acft

Special Features:

Cap 19, diode 6, potentiometer 4, pwb 1, res 29, thermistor 2, transformer 2, transistor 6; eight 0.125 in diameter holes irregularly spaced

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
