Overall Length:

7.094 inches

Overall Height:

0.422 inches

Overall Width:

4.594 inches

End Application:

Part no. 2028899-0501

Product Name:

Fsc application data: communications system

Special Features:

Connector, electrical 1; module, power amplifier 1; terminal board 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
