Overall Length:

7.687 inches

Overall Height:

0.920 inches

Overall Width:

5.260 inches

Product Name:

Fsc application data: 1. Data display group, communications central

Special Features:

Capacitor 11; coil 4; connector 1; insulator 17; printed circuit board 1; resistor 53; semiconductor device, diode 8; transformer 1; transistor 15

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
