Overall Length:

7.687 inches

Overall Height:

5.260 inches

Overall Width:

0.650 inches

Product Name:

Fsc application data: data display group, communication central

Special Features:

Connector 1; printed circuit board 1; relay reed 30; semiconductor device, diode 30

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
