**Body Style:**

Spring fingered

**Overall Length:**

5.500 inches

**Overall Height:**

0.130 inches

**Overall Width:**

0.305 inches

**Unthreaded Mounting Hole Diameter:**

0.108 inches single mounting facility and 0.113 inches single mounting facility

**Mounting Facility Type And Quantity:**

7 unthreaded hole single mounting facility

**Material:**

Copper alloy

**Material Specification:**

Qq-c-530 federal specification single material response

**Surface Treatment:**

Nickel

**Surface Treatment Specification:**

Mil-c-26074, class 1 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03600

**Mil-std (military Standard):**

Mil-c-26074 spec.
