Overall Length:

13.125 inches

Overall Height:

0.469 inches

Overall Width:

2.875 inches

Product Name:

Fsc application data: connecting device, electronic systems, specially designed, acft

Special Features:

Diode 2, resistor 6, terminal board 1, transistor 2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
