Overall Length:

3.625 inches

Overall Height:

0.250 inches

Overall Width:

2.125 inches

Product Name:

Fsc application data: radio and television communication equipment, except airborne

Special Features:

Printed wiring board 1, transipad 10, printed circuit 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
