Overall Length:

2.190 inches

Overall Height:

0.063 inches

Overall Width:

0.500 inches

Unthreaded Mounting Hole Diameter:

0.127 inches single mounting facility and 0.133 inches single mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Color:

Natural

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
