**Product Name:**

Fsc application data: internal communications group

**Special Features:**

Hprinted wiring board 1; semiconductor device, diode 106; resistor, fixed, composition 106; connector, receptacle, electrical 1; rivet, solid 2; stiffener, led display 2; screw, machine 8; washer, flat 8; washer, lock 8

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A511k0
